

How do I apply?

When you apply for the Medicare Part D Extra Help through the Social Security Administration, you can apply for the Medicare Savings Program on the same application. Social Security will send your information to the State unless you tell them no to.

For more information about applying for Medicaid, visit our website at www.IN.gov/fssa/dfr.

Questions?

For information about the Medicare Savings Program, call:

- Your Area Agency on Aging (AAA) at 1-800-986-3505, or
- The Senior Health Insurance Assistance Program (SHIP) at 1-800-452-4800, or 317-233-3475. SHIP can also answer your questions about Medicare.

For TDD calls, please use Relay Indiana (1-800-743-3333).

OMPP PAM 040 (R10/1-10)

Job #5162

Hoosiers on Medicare may qualify for help with Medicare costs.

- Do you have Medicare Part A Hospital Insurance? (Check your Medicare Card.)
- Are you a single person with monthly income not more than \$1,239, or a married couple with monthly income not more than \$1,660?
- Are your financial assets below \$6,600 for a single person or \$9,910 for a married couple?

Assets are things you own, such as checking and savings accounts, certificates of deposit, cash value of life insurance, stocks and bonds. Some things you own don't count toward the asset limit, such as your home and furnishings, your car, pre-paid funeral trusts, and income-producing real estate.

If you answered “YES” to all 3 questions, the State may help pay for your Medicare costs.

The Medicare Savings Program is provided through Indiana's Medicaid program. Medicaid is a health care program that helps pay for medical services for people who meet specific requirements.

The Medicare Savings Program has two different levels of help. Depending on the amount of your income, the benefit you receive will be one of the two listed below.

Payment of Premiums, Deductibles, and Coinsurance

If your income is not more than \$923 for a single person or \$1,235 for a married couple, the Medicare Savings Program will pay all of your out-of-pocket expenses for Medicare services, and also the premiums. **This could save you over \$2,000 a year.**

This is sometimes called Qualified Medicare Beneficiary or QMB.

Payment of the Premium

If your income is not more than \$1,239 for a single person or \$1,660 for a married couple, the Medicare Savings Program will pay your Part B premium. **This saves you over \$1,200 a year.**

***Save hundreds or even
thousands of dollars per
year!***

- If your Medicare Part B, premium is taken out of your Social Security check each month, add this amount to your Social Security check to see if your current income is within the income limit.
- If you or your spouse have employment income, over half of it, before taxes, does not count.

If you think you may be eligible, don't delay.

Apply now. It's worth it!

You can join thousands of other Hoosiers who have put money back in their pockets through the Medicare Savings Program.
